Full time DPW employee, will that be a straight salary or overtime? Mr. Clark responded that the position was 40 hours a week plus overtime if needed.

Facebook comments from "Karen's" complaining about DPW employees and snowplowing. He wanted to commend the DPW and said they do a excellent job. He also noted there was a complaint on Facebook that the Borough trucks were driving too fast and there was a threat posted on Facebook that in order to slow the truck down they would throw things at the truck.
