Old Business:

- a. Fireworks: M: Anderson/Oszczepinski. Discussion ensued regarding Borough Ordinance Section 78-15 "Use and sale of fireworks prohibited". Meeting minutes from October 18, 2022 were available for members to refresh their memory on past discussions and thoughts. Mr. McIntyre made it clear he was not a Planning Commission member, that being stated, he does not see legal value added in expanding the ordinance. It was suggested since the State of Pennsylvania passed ACT 74 of 2022 that we simply replace what is on our books with the new State law.
Motion to repeal Ordinance 78-15 in light of Pennsylvania Act 74 of 2022. M: Anderson/Oszczepinski. All in favor.
- b. 2nd Amendment Resolution: Tabled

Respectfully submitted,

Marianne Brown
