President's Remarks:

This Public Hearing was advertised in the Pocono Record August 01, 2023 and on the borough website.

The purpose of this Special Meeting and public hearing is to take comment on the proposed amendment to §67-1 removal of "construction wastes" and §67-2 establishment of a weight limit of 45 lbs. for containers. President Kudrich noted that the proposed weight limit would be 50 lbs per container.

This proposed ordinance amendment will be considered for adoption at the regular meeting of the Matamoras Borough Council which follows at 7:30 p.m.

Mr. Ohliger noted that there is an updated draft of the proposed amendment which was then presented to Council. This draft includes the proposed 50 lb weight limit.

Mr. Ohliger noted the changes to the Ordinance and asked both Council and the public if there were any questions. There being no response he directed Council they could close the Hearing.

ADJOURNMENT: 7:18 pm

Respectfully submitted,

Marianne Brown
Borough Secretary
