President's Remarks:

This Public Hearing was advertised in the Pocono Record August 01, 2023 and on the borough website.

The purpose of this Special Meeting and public hearing is to take comment on the proposed amendment to §105(24-33): Ordinance regulating excavating, openings and repairs in all streets.

This proposed ordinance amendment will be considered for adoption at the regular meeting of the Matamoras Borough Council which follows at 7:30 p.m.

Mr. Ohliger explained that this Ordinance would amend §105 by requiring permits for certain work being performed in the Borough right of way, and pertains mainly to utility companies and contractors. This is a very detailed ordinance with specifications for anyone performing work in Borough right of ways, ensuring the quality of the right of ways is preserved.

Mr. Ohliger asked if there were any questions from Borough Council or the public. There being no comment Mr. Ohliger advised Council that they may vote to close the Hearing.

ADJOURNMENT: **M: Maney/Prey. All in favor. 7:24 pm**

Respectfully submitted,

Marianne Brown
Borough Secretary
