1 member of the public was present.

Members discussed using the Westfall Ordinance as the template. Requested the secretary send a copy to the Solicitor to compare with the model medical marijuana document from Monroe. Compare the differences and see if additions or deletions are needed.

Members agreed that since we are working with Westfall on the Comprehensive Plan and share the Regional Police, it makes sense to mirror the Ordinance they have adopted.

Briefly discussed the Act 537 plan; will ask Dave Clark to come to the next meeting to discuss.

Motion to adjourn was made at 6:50 by Danny Fernandez and seconded by Dave Osczepinski. All in favor.
