

February 17, 2025

Attention: Borough of Matamoras

Reference: SR 6 Section 451 over Delaware River
Pike Co. PA and Orange Co. NY
ECMS # 89017

Ladies/Gentlemen:

Please be advised that construction on the SR 6 bridge over the Delaware River connecting Matamoras and Port Jervis is tentatively scheduled to begin March 3, 2025. The current construction schedule is as follows:

3-3-2025 thru 3-28-2025: Daily temporary lane shifts on bridge. Two lanes of traffic will be maintained at all times.

Beginning 3-31-2025: Stage 1 long-term traffic control pattern will be implemented where the north side of the bridge will be closed. Two 11'-0" lanes on the south side will be maintained across the bridge. At this time, the detour of SR 1017 (Delaware Drive) will be implemented. Delaware Dr. will remain closed and under detour until July 30, 2026.

Project Contacts:

Penndot Assistant Construction Engineer – Catherine Daniels, PE, 570.963.3445
Penndot Inspector-in-Charge – Dylan Fantini
J.D. Eckman Project Manager – Josh Smolinsky, PE, 610.593.3243
J.D. Eckman Project Superintendent – Justin Bailey, 484.798.4260

As potential changes in the construction schedule occur due to weather or any other construction related reason, the project team will keep you posted.

We look forward to working with the community on this project and understand the vital link it plays.

Sincerely,

Joshua Smolinsky
