Dear Members and Friends,

Thank you for your continued support of our local Historical Society! We hope that you were able to attend some of our monthly meetings this past year or perhaps the presentation by the renowned local historian, Frank Salvati. This year we look forward to your input and potential participation in this community group. We welcome new ideas and suggestions on projects that would benefit or be of interest to the people of Matamoras and Westfall.

Did you know:

- who was the first mayor of Matamoras?
- what was the original name of Chrissy's Deli?
- when was the current bridge between Matamoras and Port Jervis built?
- where was the first school house located?
- how many years ago was Airport Park actually an airport?

Congratulations if you know the answers to these questions! Join us for our first monthly meeting of 2025 on Sunday, March 9th, at the Matamoras Borough Hall Annex at 2 pm to share your responses and discover the true local historians! Just a reminder that membership in this local Historical Society is not restricted to residents of Matamoras and Westfall. We encourage all those who value history, especially the history of this local area, to join us!

Thank you again for your continued interest and support! We hope that you will again consider renewing your membership for the year 2025.

One additional note: The Historical Society's collection of local artifacts which includes the memorabilia from the Matamoras High School Alumni Association is currently displayed in the Driller Building. If you are interested in viewing this collection or the variety of local artifacts, we do offer tours of our museum displays. At this time, however, this display area is open by appointment only.
