

Mayor's Report

March 2026

- Happy to announce that 50 new flags have been ordered for Pennsylvania Avenue for this Spring.
 - We have submitted a grant through the Greater Pike Community Foundation to help offset the expense.
- I met with Mike Sullivan from Pike EDA and Matt Osterberg from the Commissioners office regarding turning Pennsylvania into a new Keystone Innovation Zone. This would help offset state taxes (not municipal) for new businesses in certain industries occupying space on the Avenue.
- Adding to the Tree of Heroes this year! Looking for additional photos of Women Veterans! Photos of women only Veterans will be hung on the Tree of Heroes to celebrate the Women's Monument Dedication scheduled for June 12, 2026, at 6pm in Veterans Memorial Park, Matamoras, PA.
- Reminder that Thursday Night I will be co-hosting a Trivia event at Backroad Brewery at 5:30pm to support the Pike County Library
